• The price covers certification exam fees, a second chance at the exam and training materials

• The estimated study duration is ± 30 hours

COURSE & LEARNING OBJECTIVES

Learn at your own pace with PECB-accredited training

The ISO/IEC 42001 Lead Auditor eLearning course equips you with the skills needed to audit, evaluate, and improve an Artificial Intelligence Management System (AIMS) in compliance with the ISO/IEC 42001 standard. By the end of the training, you will be ready to plan, conduct, and manage audits following best practices.

Objectives:

1. Understand the fundamental principles of ISO/IEC 42001 and its application in auditing.
2. Acquire the skills needed to audit an Artificial Intelligence Management System (AIMS).
3. Master risk evaluation techniques and the management of nonconformities.
4. Prepare and conduct certification audits for a compliant AIMS.
5. Achieve the PECB ISO/IEC 42001 Lead Auditor certification to demonstrate your expertise.

Course Content:

1. Introduction to ISO/IEC 42001 and its requirements
2. Fundamental auditing concepts based on ISO/IEC 19011
3. Preparing and planning internal and external audits
4. Conducting compliance audits for ISO/IEC 42001
5. Drafting audit reports and managing nonconformities
6. Managing an ISO/IEC 42001 audit program

Who Should Attend?

This eLearning course is designed for:

- Internal and external auditors looking to specialize in AIMS audits.
- Consultants or managers responsible for AI management system compliance.
- Artificial intelligence experts involved in evaluating and ensuring compliance of AI systems.

The eLearning format is ideal for those with limited time or budget to attend in-person training.

Prerequisites

No specific technical knowledge is required for this course, although audit experience is an advantage.

About the ISO/IEC 42001 Lead Auditor Exam

Participants will receive a voucher to take the exam from home or at the office. The exam voucher is valid for one year, but it is recommended to take the exam shortly after completing the training.

- **Exam duration:** 3 hours
- **Format:** open book exam (hardcopy of the SO/IEC 42001 standard; training materials on MyPECB or printed; your personal notes on MyPECB or printed)
- **Number of questions:** 80 multiple choice questions
- **Passing score:** 70% or higher

eLearning and Exam Delivery

We will process your order within a maximum of two working days. First, you will receive an invitation from PECB to create your MyPECB account and confirm your email address. **Once this step is complete, we will be able to activate your training and exam.**

This training is delivered as a **self-paced eLearning course** through the **My PECB**. It includes:

- On-demand video lectures by experienced trainers
- Downloadable training materials and exercises
- Quizzes to reinforce learning
- The online exam with second chance

Please note that standards are not included. You can purchase them via your PECB account in the 'store' section.
