

Take2 Resit Exam Option

Second chance / Can only be bought with exam voucher or eLearning pack

A second chance at an affordable price

When you book for an exam, it means that you invested in time, energy and money. At a fraction of the exam price, PeopleCert proposes the **Take2 re-sit exam option**, exclusively available through Online Proctoring exams, in the case the result of your exam would be unsuccessful. The Take2 option offers you a second chance at a very affordable price. This can be a plus, especially if you take the exam in a language, different from your mother tongue.

This option is available for all PeopleCert exams, including :

- Project, Programme & Portfolio Management (PRINCE2, PRINCE2 Agile, MSP, MoP, MoR and P3O)
- IT Service Management (ITIL all modules)
- PeopleCert DevOps Fundamentals and Leadership

ATTENTION: Take2 can only be used for UPCOMING EXAMS and MUST BE BOUGHT AT THE SAME TIME OF YOUR EXAM VOUCHER !

When you buy an exam voucher and you also wish the Take2 option you must buy them together. The Take2 option is (just as your exam voucher) valid for one year.
