PRINCE2 Agile Foundation Exam Voucher

PRINCE2® Agile Foundation (version 2) Online Proctored Exam Voucher Valid for 1 Year

In a competitive market, you need the in-demand **skills of agile and project management** to thrive. The PRINCE2 Agile Foundation (version 2) module covers the core concepts of the method and provides all the knowledge needed to **adopt an agile approach while maintaining a solid project management framework.**

The exam is delivered as an **official PeopleCert online proctored exam voucher,** with a validity period of 1 year. You can choose from **a range of languages** when you redeem your voucher, including English, French, Dutch, German, Spanish, Italian, Polish, Portuguese (Brazil), Chinese and Japanese. The exam is available in all of these languages.

The PeopleCert Official Training Materials (OTM) and eBook are included with the exam voucher, in digital format.

PRINCE2 Agile Foundation exam details at a glance:

At checkout, you can choose one of these two options for peace of mind:

Take 2 retake Option
If you want to sit your exam stress-free, you can purchase your retake in advance. This way, you'll have a second chance if your first try doesn't go as planned. Please note that this must be purchased with the initial order.
PeopleCert Membership Plus Option
Don't miss out on the benefits of PeopleCert Membership, including Take2 and online sample exams. Stay informed and make the most of your membership. Becoming a PeopleCert Plus member is also the simplest way to keep your certification(s) current. Benefit from webinars, free online courses and more by logging your Continuous Professional Development.
