Prepare for the Change Management Foundation (APMG) certification through eLearning and develop your skills to effectively support organisational transformation.

This accredited online training course provides you with a solid foundation in change management: understanding the impact of change on individuals and organisations, engaging stakeholders, and implementing effective communication strategies.

Flexible and 100% online, the programme offers you 6 months of access to interactive modules, designed to prepare you step by step for the official APMG Foundation exam.

Learning objectives

Upon completion of this **Change Management Foundation v3 (APMG) eLearning**, you will be able to:

- Understand **the impact of change on individuals** and effectively support the transition.
- Identify and analyse the **key factors for successful change at the organisational level**.
- Develop **communication and engagement** strategies tailored to stakeholders.
- Use the concepts of the **Change Management Body of Knowledge (CMBoK v3)** as a methodological basis.
- Prepare to pass the **APMG Change Management Foundation v3 exam** and move on to the *Practitioner* level.

Training content

The eLearning programme covers the main areas of the **CMBoK v3** through interactive and progressive modules:

- **Introduction to Change Management**
  - Definitions, key concepts and the role of the change manager.
  - The relationship between projects, programmes and change initiatives.
- **Change and the individual**
  - Individual transition models.
  - Resistance to change and strategies for overcoming it.
- **Change and the organisation**
  - Analysis of organisational culture.
  - Aligning change with business strategy and structure.
- **Stakeholder engagement**
  - Identifying and mapping stakeholders.
  - Techniques for strengthening involvement and cooperation.
- **Communication and change leadership**
  - Developing an effective communication plan.
  - Role of leadership and sponsorship in successful change.
- **Putting change management into practice**
  - Tools, techniques and best practices that can be applied immediately.
  - Preparation for the Foundation exam.

Prerequisites

This course does not require any prior knowledge of change management. Our training is aimed at anyone who wants to acquire a solid foundation in change management.
