LEARNING OBJECTIVES

Our PRINCE2 Programme Management - MSP eLearning and exam Pack will prepare candidates to deliver and manage programmes effectively.

- Acquire a comprehensive knowledge of the PRINCE2 Programme Management methodology and guidance
- Learn how to manage multiple projects and programmes with success
- Be prepared to take your MSP 5th ed. Foundation and Practitioner exams

HOW LONG WILL I HAVE TO STUDY TO PREPARE FOR THE MSP FOUNDATION & PRACTITIONER CERTIFICATIONS?

For the Foundation level, you will need about 20 hours of self-study and about 10 extra hours for the **Practitioner level**.

Your study time will be a combination of self-study with the online eLearning modules, references and study in the official MSP® manual (delivered as an eBook with your Foundation exam voucher), the support documents provided and the completion of the exercices, quizzes and sample exam papers.

When you purchase this PRINCE2 Programme Management - MSP self-paced eLearning, you will receive a license for a period of 1 year from the date of purchase. The MSP Foundation and Practitioner exams vouchers are valid for one year from the date of purchase.

WHO WILL BENEFIT FROM THIS COURSE ?

MSP is particularly relevant for professionals working in a changing and challenging business environment. Anyone who wants to learn **how to manage several projects and programmes** will benefit from these eLearning modules.

Programme Management is tailored for programme managers, project managers, business change managers, project board members, portfolio team members and everyone involved in the conception, development and delivery of programmes.
