PRINCE2 Online Combo Pack - Foundation & Practitioner

30 hours of self-paced eLearning 9 months access Official PeopleCert exam vouchers included

Our **PRINCE2® 7 Foundation & Practitioner Online eLearning Combo Pack** contains modular learning modules and provides a flexible and meaningful online learning experience that will enable you to learn the **PRINCE2 principles, processes and terminology**. You will also learn how **to apply PRINCE2 v7** to your projects by putting your knowledge into practice. Become a PRINCE2 7 Practitioner at a time, pace and place that suits you.

What's included in our PRINCE2 v7 Foundation & Practitioner online combo pack?

• modules with interactive lessons for both Foundation and Practitioner study levels

• exercices, tasks and games to consolidate your learning

• notes to support each lesson and references to the PRINCE2 v7 manual for the Practitioner level

• quizzes and sample exam questions to test your knowledge

• progress reports, online support forums and online chat

• online web-proctored **PeopleCert PRINCE2 7 Foundation and Practitioner exam vouchers**

• the official **PRINCE2 official training materials (OTM) and core guidance** in eBook format

LEARNING OBJECTIVES

The **PRINCE2 Version 7 Foundation and Practitioner** certification levels provide you with **an in-depth understanding** of the PRINCE2 method and **how to apply** it to your projects.
This online course is **a combination of** computer-based training using eLearning, references to the PRINCE2 manual and other supporting documents, and completion of practical tasks and mock exams. Depending on your availability, you will need between 2 weeks and 6 months to complete this e-learning.

A 30 hours online PRINCE2 Foundation and Practitioner level training to:

- Become familiar with **the principles, themes and products of PRINCE2**, how they apply throughout the project and how they interact
- Learn how PRINCE2 will enable you t**o start, control and close projects** effectively
- Understand how to **deliver projects on time, on budge**t and with the expected functionality and quality
- Gain sufficient understanding on how to apply and tailor PRINCE2 in a range of different project environments and scenarios

You will also be prepared, through quizzes and mock exams, to take your PeopleCert PRINCE2 Foundation and Practitioner online exams.

WHY CHOOSE OUR PRINCE2 FOUNDATION & PRACTITIONER ELEARNING?

- **Quality content:** B2B Learning is an accredited training organisation for PRINCE2 and meets all the quality requirements for offering quality PRINCE2 courses. Our online courses are carefully selected to provide a unique learning experience.
- **An interactive learning experience:** each lesson is accompanied by video presentations, exercises, tasks and games to enhance your learning experience. You will also have access to online forums and chat functions.
- **Learn at your own pace, wherever and whenever you want:** this course offers flexible learning modules that can be taken at any time, whenever it is most convenient for you. All lessons are accompanied by course notes.
