LEARNING OBJECTIVES

PRINCE2 Agile® provides a solution for organisations and individuals who wish to combine the flexibility of agile concepts with the structured approach of PRINCE2 project management.

Participants will learn how to apply and adapt the PRINCE2 principles, themes, processes and management products in an agile context and will be ready to take your PRINCE2 Agile Foundation and Practitioner exams.

WHO WILL BENEFIT FROM THIS COURSE ?

This course will provide participants with management controls for agile development, while experienced agile practitioners will understand the governance requirements of PRINCE2.

This qualification is designed for PRINCE2 users who are practising Agile, or who want to become more Agile. It can also be beneficial to agile practitioners who wish to adopt PRINCE2 project governance to complement their existing agile practices.
