Our **PRINCE2® 7 Practitioner online course** contains modular lessons to learn how to apply your core knowledge and practice PRINCE2 in your projects. **Become a PRINCE2 practitioner at your own pace!**

What's included in our PRINCE2 v7 Practitioner eLearning?

• modules with **interactive lessons**

• video presentations, exercices, tasks and games to **consolidate your learning**

• notes to support each lesson and references to the PRINCE2 v7 core guidance

• quizzes and sample exam questions to **test your knowledge**

• **progress reports**, online support forums and online chat

• online web-proctored PeopleCert **PRINCE2 7 Practitioner exam voucher**

LEARNING OBJECTIVES

The PRINCE2 7 Practitioner certification level will give you an **in-depth understanding of the PRINCE2 method** and will learn you how to **apply PRINCE2 to your projects**.

This online course is a combination of **computer-based training** using the eLearning, **references** to the PRINCE2 Core Guidance and other support documents and completion of the **practical tasks and sample tests**.

A 10 hours online PRINCE2 v7 Practitioner level training to:

- Become familiar with **the principles, themes and products of PRINCE2**, how they apply throughout the project and how they interact
- Learn how PRINCE2 will enable you t**o start, control and close projects** effectively
- Understand how to **deliver projects on time, on budge**t and with the expected functionality and quality
- Gain sufficient understanding on how to apply and tailor PRINCE2 in a range of different project environments and scenarios

You will also be prepared, through quizzes and mock exams, to take your PeopleCert PRINCE2 version 7 Practitioner online exam.

WHY CHOOSE OUR PRINCE2® 7 PRACTITIONER ELEARNING?

- **Quality content:** B2B Learning is an accredited training organisation for PRINCE2 and meets all the quality requirements for offering quality PRINCE2 courses. Our online courses are carefully selected to provide a unique learning experience.
- **An interactive learning experience:** each lesson is accompanied by video presentations, exercises, tasks and games to enhance your learning experience. You will also have access to online forums and chat functions.
- **Learn at your own pace, wherever and whenever you want:** this course offers flexible learning modules that can be taken at any time, whenever it is most convenient for you. All lessons are accompanied by course notes.

WHO IS THIS TRAINING FOR?

This PRINCE2® 7 Practitioner eLearning is designed for **people working in a project environment** who seek an expert level **understanding of structured project management** as presented in PRojects IN Controlled Environments (PRINCE2). By the end of this online course you will have a thorough understanding of the PRINCE2 method and be able to apply it in your projects.

PREREQUISITES

Having a PRINCE2 Foundation version 7 (or 6) certificate is a prerequisite for the PRINCE2 7 Practitioner exam.
