COURSE & LEARNING OBJECTIVES

Self-paced learning accredited by PECB

The ISO/IEC 42001 Lead Implementer eLearning course enables you to develop the necessary skills to plan, implement, and manage an **Artificial Intelligence Management System (AIMS) based on the ISO/IEC 42001 standard**. Upon completion, you will be prepared to lead the implementation of an AIMS and manage its continuous improvement.

Objectives:

- Understand the fundamental principles of ISO/IEC 42001 and its application to AI.
- Acquire the skills needed to implement an Artificial Intelligence Management System.
- Master the management of risks associated with AI implementation.
- Prepare your organization for a certification audit for a compliant AIMS.
- Obtain the PECB ISO/IEC 42001 Lead Implementer certification to demonstrate your expertise.

Course Content:

- Introduction to ISO/IEC 42001
- Implementing an Artificial Intelligence Management System (AIMS)
- Risk analysis and non-conformity management
- Planning and approval of AI projects
- Preparation for the ISO/IEC 42001 certification audit

Who Should Participate?

This eLearning course is designed for professionals responsible for managing AI projects, consultants, and experts wishing to master the implementation of an AIMS according to ISO/IEC 42001.

The eLearning format is ideal for those who do not have the time or budget to attend in-person training.

Prerequisites

No specific prerequisites or technical knowledge are required to take this course.

About the ISO/IEC 42001 Lead Implementer Exam

Participants will receive a voucher to take their exam from home or office. The exam voucher is valid for one year. However, we recommend not waiting too long between the end of your course and the exam.

Exam duration: 120 minutes (+30 minutes for non-native English speakers)
Format: Closed book
Number of questions: 40
Passing mark: 70% or higher (28 marks or above)

eLearning & Exam Delivery

Once we have received your order, we will send you a confirmation email within a maximum of 2 working days with your access codes or voucher to access your eLearning course. Online access is valid for 1 year. You will also receive an email from the certification body with your exam voucher, valid for 1 year. Please carefully read the exam instructions before taking the exam.
