COURSE & LEARNING OBJECTIVES

Learn at Your Own Pace with PECB-Accredited Training

The ISO 22301 Lead Auditor eLearning course equips you with the skills to audit, assess, and certify a Business Continuity Management System (BCMS) in line with the ISO 22301 standard. By the end of this training, you will be prepared to plan, conduct, and manage ISO 22301 audits following industry best practices.

Objectives

- Understand the fundamentals of ISO 22301 and its application in a BCMS audit.
- Develop the skills needed to conduct and lead a Business Continuity Management System audit.
- Master techniques for audit planning, risk-based auditing, and evidence collection.
- Evaluate an organization's compliance with ISO 22301 and prepare audit reports.
- Earn the PECB ISO 22301 Lead Auditor certification to showcase your expertise.

Course Content

- Introduction to ISO 22301 and its audit requirements
- Core concepts of business continuity auditing
- Risk-based auditing and evidence-based assessment
- Planning, conducting, and managing a BCMS audit
- Reporting, follow-up, and continual improvement in audits
- Preparing for an ISO 22301 certification audit

Who Should Attend?

This eLearning course is designed for:

- Auditors seeking to conduct certification or internal audits for Business Continuity Management Systems (BCMS) based on ISO 22301.
- Managers or consultants involved in business continuity management.
- Professionals responsible for ensuring ISO 22301 compliance within an organization.
- Members of an audit team conducting BCMS assessments.

The eLearning format is ideal for professionals with busy schedules who prefer self-paced learning.

Prerequisites

No specific technical background is required, but knowledge of management systems and auditing principles is an advantage.

About the ISO 22301 Lead Auditor Exam

Participants receive a voucher to take the exam at home or in the office. The voucher is valid for one year, and it is recommended that the exam is taken shortly after completing the training. Candidates will take the exam online via the PECB Exams application with remote proctoring.

- **Exam Duration:** 120 minutes (+30 minutes for non-native English speakers)
- **Format:** Closed book
- **Number of Questions:** 40
- **Passing Score:** 70% or higher (28 points or more)

eLearning and Exam Delivery

We will process your order within a maximum of two working days. First, you will receive an invitation from PECB to create your MyPECB account and confirm your email address. **Once this step is complete, we will be able to activate your training and exam.**

Please note that standards are not included. You can purchase them via your PECB account in the 'store' section.
