Course & Learning Objectives

Learn at Your Own Pace with PECB-Accredited Training

The **GDPR Certified Data Protection Officer (CDPO) eLearning course** equips you with the knowledge and skills to serve as a Data Protection Officer (DPO) and ensure GDPR compliance within organizations. By the end of this training, you will be prepared to implement and manage a data protection compliance program in line with GDPR requirements.

Objectives:

- Understand the key concepts of GDPR and how they apply to data protection compliance.
- Develop the skills needed to perform the role and daily tasks of a Data Protection Officer.
- Learn how to advise, monitor, and ensure GDPR compliance within an organization.
- Master techniques for risk assessment, data protection impact assessments, and incident management.
- Earn the **PECB Certified Data Protection Officer** credential to validate your expertise.

Course Content

- Introduction to GDPR and its legal requirements
- The role and responsibilities of a Data Protection Officer
- Risk management, impact assessments, and compliance strategies
- Data protection policies, documentation management, and incident response
- Monitoring and measuring compliance with GDPR
- Preparing for GDPR audits and supervisory authority cooperation

Who Should Attend?

This eLearning course is designed for:

- Managers and consultants responsible for GDPR compliance and data protection.
- Data Protection Officers (DPOs) and individuals managing privacy programs.
- Information security, incident management, and business continuity professionals.
- Compliance officers and legal advisors working on data protection regulations.

The **eLearning format** is ideal for professionals with busy schedules or those who prefer self-paced learning.

Prerequisites

No specific technical background is required, but knowledge of data protection principles is an advantage.

About the PECB Certified Data Protection Officer Exam

Participants receive a **voucher** to take the exam remotely at their convenience. The voucher is valid for one year, and it is recommended that the exam is taken shortly after completing the training. The exam is conducted online via the **PECB Exams** application with remote proctoring.

- **Exam Duration:** 120 minutes (+30 minutes for non-native English speakers)
- **Format:** Closed book
- **Number of Questions:** 40
- **Passing Score:** 70% or higher (28 points or more)

eLearning and Exam Delivery

Once your order has been confirmed, you will receive an order confirmation within two working days.

The entire training course and exam are conducted online, meaning that all you need to access the training is:

- A device (computer, tablet, or smartphone)
- A stable internet connection
- Access to MyPECB

How to Register?
After purchasing your eLearning course from the **B2B Learning website**, you will receive an invitation to create your **PECB account. Once you have confirmed your email address and created your account, we will activate your eLearning & Exam voucher, that will be accessible on MyPECB.**
