- Estimated learning duration: **35 hours**
- Fully accredited by **PECB**
- Interactive training delivered by multiple experts
- 1-year access to the platform, **24/7 technical support**, and additional resources included

## COURSE OBJECTIVES AND LEARNING OUTCOMES

### Learn at Your Own Pace with a PECB-Accredited Training

The **PECB Certified ISO 9001 Lead Implementer eLearning course** equips you with the skills needed to implement and manage a **Quality Management System (QMS)** based on ISO 9001. By the end of this training, you will be able to establish, operate, maintain, and continually improve a QMS within an organization.

### Objectives

- Understand the fundamental principles of ISO 9001 and their application in organizations
- Develop the skills required to implement and manage a QMS
- Master risk assessment, change management, and continual improvement techniques
- Guide organizations in achieving compliance with ISO 9001 requirements
- Obtain the **PECB Certified ISO 9001 Lead Implementer** certification to validate your expertise

### Course Content

- Introduction to ISO 9001 and Quality Management Systems
- Leadership, commitment, and roles in QMS implementation
- Risk assessment, quality policy, and objectives
- Documentation management and process control
- Internal audits, management reviews, and continual improvement
- Preparation for the certification audit

### Who Should Attend?

This eLearning course is designed for:

- **Project managers and consultants** involved in quality management
- **Quality managers and professionals** responsible for ensuring compliance with ISO 9001
- **Members of QMS implementation teams**
- **Professionals seeking to advance their expertise** in quality management systems

The flexible eLearning format is ideal for busy professionals who prefer to learn at their own pace.

### Prerequisites

No specific technical expertise is required, but prior knowledge of quality management principles is beneficial.

### About the PECB Certified ISO 9001 Lead Implementer Exam

Participants receive an **exam voucher** to take the online certification exam from home or office. The exam is remotely proctored via the **PECB Exams** application.

- **Exam duration:** 180 minutes (+30 minutes for non-native speakers)
- **Format:** Closed book
- **Number of questions:** 80 multiple-choice questions

- **Passing score:** 70% (56 correct answers minimum)

### Access to Training and Exam

Once your registration is confirmed, you will receive access within **two business days**.

Both the training and the exam are fully online. You will need:

- A computer, tablet, or smartphone
- An internet connection

After purchasing the course through **B2B Learning**, you will receive an invitation to create your **MyPECB account** (you can do this proactively). Once your account is created and your email is confirmed, your can start your learning path on MyPECB with your credentials.
