COURSE & LEARNING OBJECTIVES

Learn at your own pace with the PECB-accredited training

The **ISO 22301 Foundation** eLearning course provides a comprehensive introduction to **Business Continuity Management Systems (BCMS)** based on the **ISO 22301** standard. By the end of this training, you will understand the core principles of business continuity, risk management, and compliance with ISO 22301.

Training Objectives

- Understand the fundamental principles of **Business Continuity Management (BCMS)**.
- Learn the key **ISO 22301 requirements** for implementing and maintaining a BCMS.
- Gain insights into **risk assessment, business impact analysis, and continuity planning**.
- Understand **management commitment, audits, and continual improvement** in BCMS.
- Obtain the **PECB ISO 22301 Foundation** certification to validate your expertise.

Course Content

- Introduction to **ISO 22301** and business continuity principles
- **Standards and regulatory frameworks** in BCMS
- **Business impact analysis** and risk assessment strategies
- BCMS **policy, leadership, and stakeholder engagement**
- **Planning, implementation, and operational control** of a BCMS
- **Performance evaluation, audits, and continual improvement**

Who Should Attend?

This course is designed for:

- Managers and consultants seeking **BCMS knowledge** and best practices.
- Professionals who want to understand **ISO 22301 compliance**.
- Individuals responsible for **business continuity planning and risk management**.
- Anyone pursuing a career in **business continuity and disaster recovery**.

Prerequisites

No prior experience is required. Basic knowledge of business management systems is beneficial.

About the ISO 22301 Foundation Certification

After completing the training, you can take the **PECB ISO 22301 Foundation** exam. Upon passing, you will receive the **PECB Certificate Holder in ISO 22301 Foundation** credential, demonstrating your knowledge of BCMS principles and requirements. A second chance retake exam is included in this package.

Exam details:

- **Duration:** 120 minutes (+30 minutes for non-native English speakers)
- **Format:** Multiple-choice, closed book
- **Passing score:** 70% (28/40 correct answers)
- **Location:** Online via **PECB Exams**

Course Delivery & Access

We will process your order within a maximum of two working days. First, you will receive an invitation from PECB to create your MyPECB account and confirm your email address. **Once this step is complete, we will be able to activate your training and exam.** Candidates who do not succeed on their first attempt are eligible for **one free retake of the exam.**

This training is delivered as a **self-paced eLearning course** through the **My PECB**. It includes:

- On-demand video lectures by experienced trainers
- Downloadable training materials and exercises
- Interactive quizzes to reinforce learning
- The online exam with second chance

Please note that standards are not included. You can purchase them via your PECB account in the 'store' section.
