PeopleCert now positions MSP under the umbrella of **PRINCE2 Programme Management**, while the certification levels remain **MSP® 5th edition**.

The **MSP Practitioner** exam proves you can **apply MSP** to a realistic programme scenario—not just recall the theory. It assesses your ability to **interpret information, make decisions, and choose the right MSP actions** (governance, benefits, planning/control, risk, stakeholders).

Once we have received your online order, **you will receive your exam voucher within a maximum of 2 working days**. You will receive two emails: one directly from PeopleCert containing your voucher codes and one from B2B Learning confirming your order.

Your exam voucher is valid for one year. Please ensure that you **book and take your exam within this timeframe**. If you require additional time, you can purchase a 6-month exam extension. **We must receive your request** and online order a**t least 2 working days before the expiry date**.
