- Take the exam anytime, from anywhere with flexible scheduling
- The exam lasts **30 minutes** (+ extra time for non-native speakers) and consists of 20 multiple-choice questions
- The minimum required **score to pass is: 65%**
- **Optional Take2 insurance** for a free retake if needed (to be added to your cart)

Why take the ITIL Foundation Bridge (Version 5) exam?

- It focuses on **key foundation-level updates** and provides a fast, cost-effective upgrade.
- It helps you to **understand the key enhancements in ITIL (Version 5)** and what has changed since ITIL 4, focusing only on the new and refined concepts, terminology and structural updates introduced in ITIL Foundation (Version 5).
- The new ITIL is reflected in modern digital and AI-enabled environments. **Explore how.**
- Gain an understanding of how increasing complexity shapes **digital product and service management** throughout their lifecycle.
- Gain clarity on the **updated terminology and principles** shaping ITIL (Version 5) to ensure confident communication across teams, partners and stakeholders.
- **Learn how to apply ITIL (Version 5) in practice** and integrate the enhancements into your existing ITIL knowledge to improve collaboration, performance, and results.

Who is this exam voucher for?

This Bridge exam **is intended for ITIL® 4 Foundation certificate holders** who wish to update their knowledge with the latest version of ITIL.

If you took your ITIL 4 Foundation exam with B2B Learning, the system will automatically recognise that you have an ITIL 4 Foundation certificate. If you took your exam with another provider, please send us a copy of your certificate.
