LEARNING OBJECTIVES

Our **PRINCE2 Programme Management (MSP) 5th Edition Foundation** course provides essential knowledge on how to **plan, manage, and deliver programmes** successfully from start to finish. Whether you are a project or programme manager, business change professional, or part of a governance team, this certification equips you with the **skills to manage multiple projects effectively and drive strategic outcomes**.

At the end of this course, participants will be able to:

- **Define and understand Programme Management**
 - Explain what a programme is and how it differs from a project
 - Understand the **three lenses of MSP** and their role in enterprise agility
- **Grasp the Core Concepts of PRINCE2 Programme Management (MSP):**
 - Identify and explain the **key principles of MSP** and how they create a structured approach to programme delivery
 - Recognize how **MSP governance themes** align with the principles to ensure effective leadership, control, and decision-making
- **Apply MSP Themes and Processes Throughout a Programme Lifecycle:**
 - Master the **MSP themes** and understand how they apply across different stages of a programme
 - Explain the **MSP transformational flow**, detailing how processes are carried out from programme conception to benefits realisation
- **Improve Programme Delivery through Best Practices:**
 - Understand the relationships between **MSP principles, organization structures, and governance themes**
 - Learn how to apply **agile programme management techniques** to respond to changing business need

COURSE OUTLINE

Our MSP Foundation 5th Edition is a 2-day course. There will be a detailed introduction to present an overview of the method and to prepare participants for the information which then follows. There will then be individual topics, each focused on **the themes and processes of MSP®**. For each topic, there will first be a presentation to identify the major and most important aspects of that element, followed by simple but **worthwhile exercises as well as quizzes**.

Day 1
